

**"One thing I learned is that stupid ideas are not always useless or stupid.**

**The most important things are to use those "stupid" ideas and do what you feel is right. "**

**Tristan Columbus**

**"The information will help me become an entrepreneur or inspire someone else to become an entrepreneur."**

**Claudia Colcord**

**"I will use the information in my daily life by taking risks, being confident in myself, and always sharing my ideas."**

**Leanne Fonseca**

**"I will try my hardest and hope my best is enough and I will never give up"**
